

Harmonized Commodity Codes

A guide for **Perceptor IoT** products

Introduction

Commodity codes are internationally recognised reference numbers. A code describes a specific product when importing or exporting goods.

	Harmonized Commodity Code	Country of origin
Systems		
Perceptor IoT hardware kit for Zebra ZT620 printer	8471 8000 00	UK
Perceptor IoT hardware kit for Zebra ZT610 printer	8471 8000 00	UK
Perceptor IoT Device processing unit	8528 5900 30	UK
Accessories		
Media support plate	8443 9990 00	UK
Indicator light	9505 4099 00	US
Calibration card	8443 9990 00	China
Power cables	854442	China
Power supplies	85044090	China
Consumables		
DURO Ribbons	96121010	UK
Camera lens cleaner	3402 4100 00	UK
Spare parts		
Camera assembly	8548 0090 43	UK
Camera processing unit	8534 0011 00	China
USB power supply	8535 9000 89	China
Encoder assembly	8543 7090 90	UK
